# A brief history of the bee...

## Last year:

Our winner was Jennifer MacDonald, from Eastern Technical High School, who came in 3rd place at last year's 16th Annual Bee. In second place was Aishwarrya Jayapal of Dulaney Valley High School, who also came in 2nd place last year. Our third place winner was Avi Khan from Towson High School, who had also competed in a prior Bee.

## A big thank you to our sponsors!

We wish to thank the Principal of Baltimore City College High School, Ms. Cindy Harcum, for graciously providing the venue for the 18th Annual Baltimore Brain Bee Competition.

We appreciate the support of the Community College of Baltimore County, Catonsville, and Coppin State University College of Behavioral and Social Sciences and Honors College.

We wish to thank Costco Wholesale for providing refreshments this evening.

We appreciate the support of the Brain Injury Association of Maryland, for providing our winner with a Full Conference Scholarship to the annual BIAMD conference.

We also wish to thank all of our Bee Volunteers for their time and commitment:
